

Whitehorse United Church Child Photo Release Form

Out of a sense of love for our fellow church members and a sense of respect for their privacy, the Worship Committee of Whitehorse United Church has developed the following form regarding photographing and videoing of children at church worship, special events and activities.

In cases where permission is granted to take photos, the names of children will not be included should the photos be posted in a church setting.

For more details, please refer to the Photo and Video Policy posted on the WUC web site:
