

Whitehorse United Church E-News, Week of December 7, 2020

Advent and Christmas plans 2020 at Whitehorse United

Decisions from Worship Committee Nov 6 2020.

Everything of course is subject to any changes in COVID restrictions.

*All "in-person" services means a maximum of 30 attenders with two soloists. **Please sign up by no later than Friday 1 pm ahead of each date and comply with all the usual restrictions re: wearing a mask and keeping distance. All online services will be recorded and kept on Facebook for future viewing.***

Date	Service	Details
Sun Dec 13 10:30 am	Advent 3	This would normally be the Christmas Cantata – not possible this year. On-line and in-person at church: upload previously recorded carol service, sung by our choir, with some background on the carols.
Sun Dec 20	Advent 4	"COVID-normal" services, in-person plus live broadcast online if possible. Otherwise, record and upload. Dec 20 includes Ave Maria by WUC choir members.
Dec 21-23 (Mon - Wed) 6 –7:30 pm	"Open church" evenings	There will be someone at the piano playing carols. The lights will be low, the candles burning, the tree lit up.... you are welcome to come and simply sit in the sanctuary, and listen to the music. You can stay for the full 90 minutes (providing there are not others waiting to get in) or for a short time; whatever your soul needs. Bring your knitting!! There will be an opportunity to receive communion if you wish.
Thurs Dec 24	Christmas Eve	a) A toddlers' Christmas story is pre-recorded. It will be uploaded and available online any time after 4 pm. b) The pageant is pre-recorded. It will be uploaded and available online any time after 7 pm. We suggest people plan a pajama watch party with little ones, that evening or another time. c) A service of readings and carols is pre-recorded. It will be available online any time after 9 pm. d) Separately, we will have two very similar in-person services, not broadcast or recorded, at 7 pm and at 9 pm. You must sign up for these, as usual.
Fri Dec 25	Christmas Day	All these services will remain online to be viewed as people's schedules suit. We may have another online service specifically geared for Christmas Day. The church will not be open.

PLEASE NOTE THAT COVID RESTRICTIONS WILL APPLY: that is to say, 30 people maximum, remain masked in the building, maintain physical distancing.

PLEASE NOTE AS WELL THAT FOR ALL THE SERVICES WE ARE PLANNING, there is always the possibility that things might change, and if so, in the name of love of neighbour and love of God, we will abide by what Dr. Hanley says.

Can you "Share the Spirit"? We are *Sharing the Spirit!* This year, along with the Whitehorse Firefighters Charitable Society, we will be participating in the Share the Spirit program. If you are unfamiliar with this program - it is similar to "Adopt-a-Family" programs.

Children:

Whitehorse United Church is sponsoring 35 children. We have a broad range of ages and sibling groups this year. We are provided with child profiles - information on age, sizes, and wish lists. **To select a profile (or two or three...), call or email Jennifer Moorlag (jennifermoorlag@gmail.com or 867.333.0228)**

Shopping for gifts or making a financial donation:

The suggested budget for gifts per child is \$50 again this year (families will also get a food hamper).

If you are unable to shop for gifts, you are most welcome to make a donation (\$50/child is suggested). Financial donations can be dropped off at the church office or emailed to wuc@klondiker.com - be sure to include "Share the Spirit" in the e-transfer comment field. Our shoppers can either be reimbursed for the gifts (up to \$50), or you can submit your receipts as a charitable donation. Tax receipts will be provided for either purchasing the gifts (up to \$50) or making a cash donation. Submission of receipts is required by Dec. 22.

Wrapping and gift drop off to Whitehorse United Church:

Sadly, due to COVID-19 restrictions we will NOT have a wrapping party. **All gifts should be delivered to the CHURCH by 1pm on Dec 16 - ideally they will already be wrapped.**

Delivery:

Delivery day is Saturday, DECEMBER 19! Meet at Whitehorse United at 10am. We are allowed to deliver the gifts for "our" families. The CMOH has approved the firefighters COVID contactless gift delivery plan. Our folks will experience a very similar process to past years. Drivers will pick up gift bags at WUC, then go to the old Toyota dealership across the street where a food hamper will be loaded into their cars. Labels with addresses and phone numbers of recipient families will be provided at the church on delivery day.

IN CASE YOU WERE UNABLE TO JOIN WHITEHORSE UNITED CHURCH'S BLUE CHRISTMAS SERVICE ON FACEBOOK LIVE on Dec. 6th, HERE IS ONE YOU COULD PARTICIPATE IN - FROM THE NATIONAL OFFICES OF THE UNITED CHURCH OF CANADA

**Co Advent's Lament: A Blue Christmas Worship Gathering
December 9, 2020. 4:30 p.m. PT, 7:30 p.m. ET, 9:00 p.m. NT**

Christmas can often be a difficult time for many of us. Usually, the world is in a grand celebratory mode, and doesn't make much space for people who are grieving, or are feeling sadness, anxiety, frustration, or loss.

Many communities of faith gather for a time of worship "when Christmas doesn't feel like Christmas." This year, in the midst of the COVID-19 pandemic, many of these feelings are stronger, and many more people are struggling with Christmas. As we mark one year of changed life because of COVID-19, we would like to offer a denominational-wide service of Lament for Advent. (If you've got one, you might want to bring a candle - battery or match operated - for this time of prayer, reflection, and song.)

More details will be posted soon on [United in Learning](#). There will be no need to pre-register for this event. To access the simultaneous translation you must be connected by Zoom; otherwise, you can watch the bilingual version on the United Church's [YouTube channel](#).

Do you or someone you know in Yukon work as an essential worker earning less than \$20 an hour? You might be eligible for thousands of dollars from COVID-19 Wage top-up by Yukon Government. The catch, your employer needs to apply on your behalf.

If your employer didn't apply for this benefit for you, please email me at kate.white@yla.gov.yk.ca

The list is much longer but here are examples of workplaces that would qualify:

- ✓Hotels
- ✓Restaurants
- ✓Grocery stores
- ✓Daycares
- ✓Gas stations
- ✓Warehouse
- ✓Pharmacy
- ✓Agriculture
- ✓Transportation and courier service
- ✓Janitorial and security

Can you share this post to reach as many of these workers as possible? Thanks team!

Seniors Outreach Computer Tutor Program

Schedule of Thursday Learning Events ----- Dec 2020, Jan 2021

Times: Thursdays, 1:30 to 3:30

Location: Zoom

Dec 03 – Voice over Internet Protocol (VoIP) – VoIP is a way of talking with people over long distances, but through the internet instead of the telephone system. And it's often a lot cheaper, sometimes even free! For example, Zoom uses VoIP as long as you don't phone in.

Dec 10 – Podcasts/Streaming/Live feeds – many news and entertainment organizations offer these services so we can access media content that we want – when we want. CBC has all of them so is a good site to see what they are and how they work.

Dec 17 – Trouble Shooting – sometimes things go awry on our smart devices, it can be distressing. But there are several things we can (and should) do before calling Tech Support.

Jan 07 – Internet & Data Usage – these days we're connecting a lot more, communicating with family and friends, streaming movies, Zooming, etc. But there is a cost! Today we take a detailed look at the different data streams available to us and how to make best use of them.

Jan 14 – Reporting Fraud – the authorities tell us that the reporting of fraud in Canada is very low. Turns out it's not all that easy, wonder if that has something to do with it? We will take a detailed "how-to" look at the system for reporting fraud. Since fraud is increasing dramatically (especially cyber-crime versions) we should know what to do if we do get hit.

Jan 21 – Back Ups – they used to be simple though annoyingly slow and we didn't want to be bothered. Now they are much faster, but many of us still don't want to be bothered. It might not matter, it may be happening automatically without us even being aware. Apple, Google, Microsoft, Samsung, and others are all very happy to keep copies of our data for us. However, it is still a good idea to make sure we know what is going on with this important function.

Jan 28 – Notifications – banners, badges, sounds, grouping, persistence, on lock screen or not ... our smart devices have lots to tell us about, many different ways of doing so, and we have many different ways of controlling it all. It's worth delving a bit to make sure we see what we think is important without wasting time with things that aren't.

If there are other topics you would like to see covered, let us know. We will try to work them in.

*And remember our **Tuesday** open lab sessions, same time same place.
Bring questions, problems, information, suggestions, advices about devices,
anything involving technology.*

COVID-19 Related Information

REGARDING PASTORAL VISITS IN THE HOSPITAL

If someone is in the hospital and wants to see a spiritual care giver, you have three options:

1. there will be a chaplain on call and you can ask the staff to put you in touch with that person (chaplains are simply local pastors and ministers and priests, including me, who take turns being on call a month at a time),
2. there are iPads available for use at the hospital and they can help you arrange a visit from me that way, or
3. for those in palliative care, it's possible for me to make an in person visit but the patient her/himself, or the family, has to add me to the list of those who are allowed to visit in person.

“Virtual” health appointments are now available. Thanks to COVID-19, Yukoners now can have a “virtual health appointment” with a doctor or optometrist using a computer with a “tele-medicine” program called Doxy. Anecdotal reports from seniors who have used the service have all been positive – perhaps this option will continue after self-isolation is no longer required? It will make life easier for people in the communities or with transportation challenges in town. You still need to make an appointment with your physician in the usual way. Don’t forget the 811 phone service is also available if you have a health question or concern.

Reminder: COVID-19 information online

The one-stop-shop for information about COVID-19 in the Yukon – including government financial assistance programs – is at yukon.ca/covid-19. For a handy table comparing the symptoms for COVID-19, influenza and a cold, click [HERE](#).

If you can, support our local restaurants

Don't feel like cooking one night and want to support a local restaurant? What's Up Yukon has done a great job at keeping us up to date with all the restaurants that are still open and offering take-out/delivery services. If you have a favourite restaurant, now is the time to support them so they'll be around after the COVID restrictions are lifted. Click [HERE](#) for the list.

Let's Chat Yukon now operating

Stuck at home and wishing you had someone to speak with? April 15th marked the launch of Let's Chat Yukon, a toll-free line you can call for enjoyable conversation with a fellow Yukoner. Just because you're self-isolating doesn't mean you're alone. This is a free service run by volunteers. 1-877-321-1001
